Kia ora Whanau,

Welcome back to school and all that Term 3 will bring. We hope you've had a positive time with your children over the holidays.

I think it's fair to say everyone would happily say good bye to the rain for a little while but it has created opportunities to get some board games out and encourage children to enjoy something constructive on a rainy day! It's also been good to see a few children bringing wet weather gear so they can still go outside and play despite the rain.

We've been blessed to have Emma Stuart volunteering some of her time during lunchtimes last term and this term, to create some amazing art works on canvas with a group of students. This has been such a treat for these students in the senior school and their results are truly awesome.

Hopefully you all received your child's report this week and it accurately reflects your 3 way conversation held at Whānau Korero last term.

Newsletter #20- 29 July 2022

Remember that if you ever want to have a catch up with your child's teacher, you don't have to wait till the next scheduled 3 way interview time. Just ring the office and Robyn will coordinate with your child's teacher to make a mutually agreeable time to chat.

Many of you will be aware that this year we are scheduled to have our Musical Production which would normally happen at the end of this term. Unfortunately the Theatre is unavailable due to continued work being done on it so we have decided to put it back a few weeks. We will now be starting rehearsals in a few weeks and performing it in mid Term 4. Watch this space as it's going to be another show stopper!!

We continue to work hard to keep everyone well and protect each other from all sorts of bugs lingering around. We appreciate your ongoing support as we enforce mask wearing once again for adults and children Year 4 and up who don't have an exemption.

We're looking forward to a fabulous term as we work together to support your children to be the best they can be.

Noho ora mai – Stay well!

CONGRATULATIONS!

Congratulations to Maia Tamakehu who has made it into the Under 13 Eastern Basketball Team.

What other Tapanui School students have been achieving well in our community that we could be celebrating in our newsletter? Let Robyn know at the office so we can give them a shout out.

Some Lunchtime Art With Emma

The Mohua Team enjoying their newspaper technology challenge. After some careful planning and working together some very creative bridges were designed. The suspense was incredibly high as we tested whose bridge design could hold the most weight.
