16 - Prize Giving
16 - Reports Home

Week 10 19-20 - School Tidy
20 - Term ends

Kia ora whanau,

Don't blink because you very well might miss something!! There are so many awesome things happening one has to make sure we take the time to stop, breathe and acknowledge the work and progress we are seeing. ★

I am so looking forward to the show next week. Although we have had multiple interruptions to rehearsals, changes of directorship and lots of different staff coming and going, the tamariki are really growing in confidence every day in their performance ability. I know how much of a challenge this is for many of them but I'm sure you will be proud of your child's efforts as they face new challenges. Huge thanks to Margie Rea for her patience, skills and gentle reminders to keep things in perspective in terms of what we're trying to achieve by doing this ... growth and confidence, opportunities for children to experience the stage, development of stagecraft and introduction to characterisation and enjoyment of performance, music, acting and being part of a team. We are working hard to get a polished performance for you but I hope you can also appreciate the work, coaching, courage, and barriers that many children have had to overcome to participate.

Thank you to all of you, our parents, for encouraging your children, setting the bar high and expecting them to show up and do their best. Thank you for not rescuing them from their fears and nerves and giving in to the "I don't want to do this!" We come to school to do the hard mahi and we are looking to create a safe space for all children to succeed. Tickets are on sale so get in quick! It's going to be a big week next week so let's all ensure we get the rest we require, keep calm and dance and sing like we don't care who's watching! ★

T.E.A.M. - Together Everyone Achieves More

★ PRODUCTION INFORMATION ★

ALL children are in the Production of "Oink". They will all be required to be at the performances on Wednesday and Thursday nights next week. They will go to the Matai Hub at 6:15pm if they are a specific character and 6:30pm if they are in the chorus. We will be getting ready at school and the teachers will bring the children over for the show. At the conclusion of the show we ask you come into the Matai Hub to collect your child please. It will be understandable if junior children need a sleep in on Thursday or Friday morning - please let the school know if they will be arriving late.

Below is a list of costume requirements that specific characters will need to provide and bring to school as soon as possible. The rest we will be providing.

All children who do not have a specific role and are in the chorus need to bring plain black shorts or pants and a plain bright coloured top.

If your child's character is not mentioned here then we have their costume sorted.

All children need to bring a medium sized, named cardboard box to school if they haven't already for their costume.

If you don't have the things your child needs please get them to ask friends or let a teacher know on Monday and we will help source them.

Ringmaster - Laykin

- Plain Black pants

Strongman - Cameron

- Canterbury shorts

- Grey top

CELEBRATING SCHOOL VALUES IN THE COMMUNITY

A huge shout out and "well done" to
the Year 5's and 6's on camp last week

We were super proud of the way you managed yourselves around the general public last week, moving aside on walking tracks, saying hello and thank you while we were out and about, being quiet around the campsite, asking questions, following instructions from guides and generally being great humans! You were truly living out Tapanui School's vision of being confident, connected, actively involved, life long learners.

OTAGO SWIMMING RESULTS

Well done to Oliver, Hannah and Tayla who competed in the Otago Swimming competition last Saturday.

Don't miss the bus!

CRAFT WEEK

In Week 8 we have members of the community coming to lead a craft week. We will need some **parent helpers** for this so please mark it in your calendar now if this is something you could do. We are also going to need lots of different supplies that you could help us collect over the term and bring to school.

- 1.5L plastic fizz bottles with tops
- Milk bottle tops
- Buttons, any size, shape and colour....we need hundreds!
- Egg cartons
- Clean plastic food trays
- Unwanted CDs, but not their cases.
